The Prez Sez!

Hello Members,

Many things have happened in the last few weeks. I would like to thank all that helped with the BTB range day. With the help of many of the members, we were able to finish just after lunch. Dennis and I almost cancelled due to the rain in the morning but Dave Coulter was able to convince us that we needed to get to work! Thanks, Dave!

I hope that all of you Turkey Hunters had a successful season. Wayne and I had a trip that would rival the Griswold's "Family Vacation". Other than getting stuck for eight hours, all the rain, wind, mud, and not seeing any birds, it was fantastic! I think it took about \$100.00 to get all of the mud off of Wayne's truck and my camper.

On Saturday, May 12th we hosted the archery portion of DOW Youth Day. We have been doing this for several years now and the kids seem to love it. Thanks to Matt, Pat, Jeff, and Dennis for your help with this event. Many of the kids came back after the event was over to shoot again.

We have also started our Thursday night shoots. We start around 6:00 pm and shoot until dusk. We would like to invite all of you to come out and join in the fun.

John

Colorado Traditional Archers High Country Shoot: The CTAS shoot is June 22-24 this year. Visit their website for more info www.colotradarchers.com

CBA Jamboree: The Colorado Bowhunter's Association annual banquet is July 20-22 at a new location. Details can be found at www.coloradobowhunting.org.

Thursday Night 3D Shoots: We are holding our Thursday evening informal 3D shoots at the Lon Hagler range. Things get rolling around 6:00pm. \$5.00 shooting fee & a great way to get primed for the season right around the corner.

Range Day Success: Once again a good turn-out has the range in tip-top shape for this year. A big thanks to all of those that were able to pitch-in. Our old tree-stand platform is no longer there thanks to some bowhunter demolition experts. The new set-up will be safer and fit the flow of the range better.
