## Rod Lampe

The BTB lost long-time member Rod Lampe recently. Rod was very active in the Club and the Loveland community and he will be greatly missed. Our deepest condolences to the Lampe family and all who knew Rod. Jeff and the family wish to express their thanks for the kind thoughts and gestures during their time of loss.

---

## *The Prez Sez!*

Hope all of you are enjoying your summer. We have had a good turn out for our Thursday night shoots. We only have about five weeks left to polish your skills on the 3D's, so take advantage while you can. If you do come out, be sure to check out Jeff's FASTINATE shirt!

The CTAS High Country Shoot last month was a great time. Plenty of good shooting, good friends, and the stories around the campfire, made it worth the trip. If you missed it, there is a thread on the *Bowsite* with a picture of our own Range Director in a compromising position with a buffalo. Sorry Dennis I couldn't resist!

The CBA Jamboree was this month. Don, Wayne, and I went up Saturday and ran into a few members. If you have never been to a Jamboree you should pencil this in for next year. They have several activities for the whole family.

Shoot straight,

John Williams

---

**It's almost Time!:** The fall seasons are right around the corner! We are truly blessed to have some fantastic bowhunting opportunities in Colorado. It's crunch time for getting any of those last minute equipment or shooting problems taken care of so the range should be seeing some good use in the next few weeks. Here is to a safe and successful hunt. Let's take a moment while we are out there this year to remember those that can't be with us and those that sacrificed so much to safeguard our freedoms. Have a great hunt and let's collect some great stories and photos to share at the Big Game Feast in January.

---

**Thursday Night 3D Shoots:** We are still holding our Thursday evening informal 3D shoots at the Lon Hagler range. Things get rolling around 6:00pm. \$5.00 shooting fee & a great way to get primed for the season right around the corner. Only a few left so come on out!

---
