

THE BTB BROADHEAD

The Prez Sez (A few words from the appointed anointed.)

I am writing this with a tear (BIG SMILE) in my eye, as this will serve as my last newsletter as club President. As you may know, every two years we select (bully) someone into becoming the next President (fall guy) of our club. This means that my time as President has come to a close and someone else will be taking over as commander in chief (camp cook). It's been a pleasure (pain in the neck) to serve in this position for such a great group of people (bunch of red necks). But now it is time for someone else to get his or her opportunity (do their time) at the helm.

We are fast approaching another 3D season and lots of work to be done. We have been planning to make this season one to remember. It all kicks off with the BTB Annual Big Game Feast on Jan 10th. The BTB elves have been gathering all of the prizes for all the good BTB members. Some of us

look more like elves than others (Jeff). Anyway, I am very happy to say that with a little arm-twisting, Dennis H. was able to find a guest speaker for this year: DOW officer Tim Woodward will entertain us with his presentation on law enforcement, poaching incidents, and undercover operations. Big story on BIGTIME bow hunting poacher in Douglas County! Should be interesting stuff. We will begin to setup at 5:00 and the dinner will begin at 6:00.

Please remember our annual Big Game Feast on January 10 at Rainbow Plaza again west of Loveland this year. We are still working on our Guest speaker for this year. Grand prizes will be two \$100 gift certificates to Sportsman's Warehouse. Many other prizes will be given away including stuff for the kids so bring the whole family. As always, prize donations are gladly accepted. Saturday shoots start Jan. 17th. All dates have been finalized now so see the BTB calendar for other dates.
