

# THE BTB BROADHEAD

the undercover work he has been involved with.

Also a special thanks to David Neils for his presentation on trail cams – it was very interesting to view the outstanding pictures he captured. It was great.

The Saturday 3-D shoots are scheduled for the year. Look for the schedule in this newsletter. The first shoot was held on January 17<sup>th</sup> and may well have been the largest in club history. It was just a super day to be out. Thanks to all the shooters and come on out for the next one. There will be enough hockey pucks (burgers) to go around. It should be a good time. With two well attended events already this year, the club is doing fine financially.

## Where's My #@&\* Newsletter?

Word on the street is some of you are not receiving your club newsletters. The primary reason is for incorrect E-mail or Street Addresses on our distribution list. The *only* way to resolve this is to make certain your correct, *current*, e-mail or home address is on file with us. If you, or someone you know is not receiving their club newsletter, please pass the

word to send your *correct, current address* to me at [Dsmith7136@msn.com](mailto:Dsmith7136@msn.com), and we'll get 'er fixed. Sooner is better. Thanks,  
Dennis Smith,  
Sec., BTB

## **The Prez Sez** (*A few words from the appointed anointed.*)

Happy New Year!

As your new incoming president, I want to extend my thanks to our former President, John Williams, and Vice President, Jeff Lampe, for their excellent service. Its members like these who make BTB so special to me. I have been a long-time member and have two boys who have grown up with this club. The boys and I love to hunt and fish and share experiences with others. I am honored to have been nominated (bullied) for this position.

The annual big game feast on January 10<sup>th</sup> was a great time for members to gather and share deer, bear, antelope, and goose (the kabobs were outstanding) and other treats. BTB thanks all the folks and organizations who contributed to the raffles. A special thanks to Tom Woodward, DOW officer, for the interesting presentation on poaching and
