*THE BTB BROADHEAD*

**The Prez Sez**

Greetings Bowhunters, I hope this finds everybody well and with hopefully a successful archery hunt or two behind them, some full freezers, and fond memories. If I could out guess the wind, I might have had a chance. Oh well, I enjoy the hunt and there is always next year.

It has been several months since our last newsletter and the summer and a good part of fall have passed. This summer's Thursday Night 3-D shoots were not as well attended as previous summers but fun none the less. In July several BTB members cleaned up our section of highway #34 in the Big Thompson canyon. Thank you Jeff, Dennis, and Trent for volunteering. In July, Partners, a youth mentoring program was out at the Lon Hagler range and BTB members helped with a night of archery instruction and shooting. Thank you Dennis Hansen, Jeff Lampe, and Pat Norris. Financially, the club funds have been running very tight. BTB has applied for a grant from the state/feds. We should

learn in January whether we get the grant. Aimee Ryel from the local Division of Wildlife and Dennis Hansen did all the work to ready the application. Thank you! If BTB does not receive the grant, the club will be fine, but we will need to be extra careful to make sure we have enough money to maintain the range.

One last item--mark your calendars:

**BTB Big Game Feast  
Rainbow Plaza in Loveland

Look for more details about the big game feast in the next newsletter. Your fellow Bowhunter,  
Mike Fiscus

We are getting closer to achieving 100 % distribution of our newsletter by e-mail. If you are currently getting the newsletter via mail and are open to receiving it via email, please call me or shoot me an email so we can get you added to the email distribution list. Not only does it save the club money, it also saves time.

Do you know a bowhunter who is not a BTB member? We have a great range and a great bunch of people that are part of the club. I am sure many of us have friends who shoot or bowhunt. Invite a friend to the range and ask them to support our club!! Usually, all you have to do is ask! Good hunting!
