

### **The Prez Sez**

Greetings Bowhunters,

On January 9<sup>th</sup>, BTB had our annual Big Game Feast. We had members from far and near make the trip and as usual, the food was great! We had a presentation by our own treasurer, Pat Allen, covering his trip to South Africa. David Neils shared some great pictures and footage of predators. Thanks to both of you.

We also had our usual raffles and new this year was a silent auction. The silent auction proved to be very successful. Thank you to Archery in the Wild for the donations and thank you to all the individuals that donated to the silent auction and the raffle items.

We had our first 3-D shoot of the year on January 16<sup>th</sup>. We had a good turnout for the day with the weather starting out chilly but by the end of the shoot it was very nice. I made only a few hockey pucks of the burgers. If you missed this shoot then you missed our range director's new target, The Texas Grand Slam. It is

Keep in mind the upcoming calendar event:

Thanks to all of you who have given me your email addresses for the newsletter distribution. We have nearly 85% of all members on the email distribution rather than regular mail. This really helps the club keep costs low and really saves a lot of time. Thanks again for helping out on this.

If you want to start getting the newsletter via email, just send me an email or give me a call. Thanks again for all your help on this!
