

News from the Big Thompson Bowhunters April 2010

Hello Bowhunters,

As I write this, there is a heavy rain/snow mix coming down. The BTB 3-D shoots and the weather have been unable to get along so far this year. But, hey, we will continue on.

The BTB had its last Saturday 3-D shoot of the year on April 17th. It was another snowy event but there was a good turnout and, I believe, everybody had a good time.

On May 1st, BTB had scheduled our annual Range Day. Unfortunately, the new bales for our targets we had ordered did not arrive. At the last minute, we were forced to postpone Range Day until May 8th. BTB apologizes to anybody that this postponement affected. BTB did send an e-mail out to the membership to inform them of the situation.

The BTB Range Day was scheduled for the following Saturday, May 8th, and there was a nice mix of new and old faces. There was plenty of help and consequently we had an early lunch. Everybody was done and gone by late morning/ early afternoon. A

big thank you to all those who participated and also a big thank you to Loveland Ready Mix for donating the gravel to the range.

Thursday Night shoots started April 29th and will continue to the first week in August. Hope to see out there!!

Colorado's Big Game drawings are partially done and no I have not drawn a thing yet. Hopefully, with a few more drawings to go, I will luck out and best of luck to you folks out there also.

For the memberships information, there is a new archery shop in town. Loveland Archery Exchange is located at 907 Van Buren Ave #B160 in Loveland. The shop will be opening on May 21st. Give'm a try.

This will be the last newsletter til October. So...good luck hunting to everyone and shoot straight. Hope to see you out at the range!

Your fellow bowhunter,
Mike Fiscus

From the Secretary's Desk

I know it was mentioned in the last newsletter but again I want to thank those of you who have gotten friends/family to join the BTB. With your help, membership has steadily grown over the last year and has a tremendous positive impact on our club.

Thanks again to all the members for supporting our club and a warm welcome to the new members!!

Best of luck to each of you and hope to see you at the shoots!
