

The June meeting of the Greeley Archers was opened at 7:00 PM June 4th by club President Craig Weimer.

Members in attendance were Dutch Siefken, John Springer, Ken White, Craig Weimer, Art Pendergraft, Doug Sarcher, David Goss and Charlie Morgan.

The Treasurer's report was read and approved. The club has \$2,892.78 in the checking account and 57 members.

Youth lessons have been a great success with 20 kids in attendance.

Old Business:

The CBA shoot was a great success. There were 54 shooters and total of \$1,100 was taken in. The club netted \$240. The CBA gained 16 1 year memberships and 1 3 year member for a total of 19 years of membership. Greeley Archers gained 6 new members.

We have replaced 14 target bales on the bowhunter range. The old bales will be used as additional backstop on the sight-in range and behind #14 where the parking area has been further exposed because of excavation.

Mosquitoes are rather plentiful at the outdoor range so please taken necessary precautions when using the range.

New Business:

The current entrance to the range from 42nd Street will soon have a gate. We will also have the current gate in place as Joe is not going to put the new road through at this time.

We will have a work night June 18th at 6:00 PM. Bring shovels, rakes and post hole diggers.

Bow Depot will be hosting an elk hunting seminar in August. It will feature Chris Roe a wildlife biologist. Exact date will be announced at a later date.

We will continue informal meetings throughout the summer on the 1st Thursday of the month but we will be at the outdoor range. We will do some range maintenance and some shoot around.

Our formal monthly meetings will resume the 1st Thursday of October.

Please send me your 2008 big game harvest results and will get a harvest plaque made up.

The meeting was adjourned at 7:45.
