

The May meeting of the Greeley Archers was called to order at 7 PM May 6 by President Craig Weimer. Members present were Charlie Morgan, Craig Weimer, Ken White, David Goss, Ron Richardson, John Springer, Dutch Siefken and Kevyn Meyer.

Minutes of the April meeting were read and approved with a correction to the Treasurer's report. Corrected balance of \$4310.71.

Treasurer's report now shows a balance of \$2662.78 after expenses and income from the April 3D shoot. We also paid for 14 new Pacific Bale Butts.

OLD BUSINESS:

The April 3D shoot was a success with great food and a fun time. The club netted \$212 from the shoot.

Reminder...the CBA membership is Sunday May 17th. Will set up targets Sunday morning at 7 AM. Help if you can. The cost is \$15 for members or join the club or CBA and shoot free. You can go around the course as many times as you want.

Outdoor Skills Day for the City of Greeley is June 6 at Sanborn Park from 8 AM to 12 noon. If you want to help out just show up.

We are shooting in small groups on Tuesday just for fun...and we are having fun!!!!

NEW BUSINESS:

This is getting out quite late but we will have a work night Thursday the 14th to put up the new bales and maybe discuss positioning of the new sight-in range. We will be removing as many of the timbers from the targets as we can.

Please do not position the burlap targets with the kill zone over the seam between the bales...there are metal bands in there.

A vote was taken for the club to donate money to the City for 3 new youth bows to be used in the youth lessons. New youth lessons start June 2 and run for 4 weeks.

JOAD was discussed as a possible project for the club and it was decided to not get involved at this time.

A new member was added....welcome Stan Dorcey. Stan was given his walk through and added as a range officer.

The meeting was ended at 7:30.
